Organized by: RMD Cultural Club

Introduction:

R.M.D. Engineering College successfully conducted a **Skit Competition** on 19th September 2025, under the banner of its **Cultural Club**. The event was aligned with **United Nations Sustainable Development Goal (SDG) 8**, which focuses on promoting inclusive and sustainable economic growth, employment, and decent work for all.

Objective:

The main objective of the competition was to encourage students to creatively express their understanding of key issues related to employment, labour rights, economic disparity, and sustainable growth through dramatic performances. It also aimed to in still awareness and responsibility among youth regarding real-world socio-economic challenges.

Event Proceedings:

- The event commenced at 12:00 Noon in the Main Block Seminar Hall with a welcome address by the faculty coordinator of the Cultural Club.
- A total of 3 **teams** from various departments participated in the competition.
- Each skit was designed to highlight aspects such as:
 - Workplace discrimination
 - Youth unemployment
 - Labour exploitation
 - Entrepreneurship and innovation
 - Gender inequality in the workforce
- The participants used engaging storytelling, dialogue, and expressive acting to bring attention to these themes.
- A panel of judges, comprising faculty members from various departments, assessed the performances based on creativity, message clarity, stage presence, and adherence to the theme.

Results and Recognition:

- The top three teams were awarded certificates and trophies for their outstanding performances.
- All participants received certificates of appreciation.
- Judges commended the teams for their originality, awareness, and impactful delivery.

Conclusion:

The Skit Competition provided a vibrant platform for students to showcase their talents while spreading meaningful awareness about economic and employment-related issues. The event was a resounding success, thanks to the enthusiastic participation of students and the dedicated efforts of the organizing team. It highlighted the role of educational institutions like **R.M.D. Engineering College** promotes not just academic excellence but also social responsibility and creative engagement.
