The "Life on Land" event provided a platform for photographers and nature enthusiasts to showcase the beauty of terrestrial environments, highlight environmental challenges, and inspire action for sustainable land management.

Photography Exhibition: The event featured a captivating photography exhibition showcasing a diverse range of images capturing life on land. Photographs included landscapes, wildlife, flora, and human-nature interactions, illustrating the richness and fragility of terrestrial ecosystems.

Some of the photos displayed in the photography exhibition are as follows:

The "Life on Land" event received positive feedback from participants, who expressed a deeper appreciation for nature and a heightened awareness of environmental issues. Attendees praised the informative sessions, inspiring exhibits, and practical skills gained during this contest.

The "Life on Land" event by the Photography Club successfully combined art, education, and advocacy to celebrate the diversity of life on land and promote responsible stewardship of terrestrial environments. It served as a catalyst for fostering a deeper connection with nature and encouraging sustainable land practices.

The Photography Club's "Life on Land" event culminated in an inspiring photography contest, showcasing the beauty and diversity of terrestrial ecosystems and highlighting the importance of land conservation.

After careful deliberation by our esteemed panel of judges, we are delighted to announce the winners

S. No	Register Number	Name of the Student	Year / Branch / Sec	Place
1.	111522203043	RESHMA SHAIK	II IT – B	I
2.	111523204008	CHANDU K	I AIML – A	
3.	111522102171	VEMULA VISNUVARDHAN	II CSE – D	II
4.	111523102066	HARSHA VARDHAN S	I CSE – B	
5.	111521104077	LOKESH B	II ECE – B	III
6.	111523102080	JAYANTHIKA R	I CSE – B	

Congratulations to all the winners for their outstanding creativity and talent in capturing the essence of "Life on Land" through their photographs. Each image tells a unique story and inspires us to appreciate and protect terrestrial ecosystems.

We extend our gratitude to all participants for their contributions, dedication, and passion for nature photography and conservation. Special thanks to our judges for their expertise and commitment to promoting awareness of land conservation issues.
