**R S M Nagar, Kavaraipettai – 601 206**

### **PHOTOGRAPHY CLUB**

## **PHOTOGRAPHY CONTEST ON CLEAN & GREEN PHOTO WALK**

### About Photography Club

The Photography Club of R.M.D. Engineering College provides a creative platform for students to develop their photography skills and express their artistic vision. The club encourages students to capture meaningful moments through the lens while promoting environmental awareness, creativity, and visual storytelling. Through workshops, exhibitions, and photography contests, the club nurtures technical skills and inspires students to appreciate nature, culture, and society.

Event: Photography Contest

Title: Clean & Green Photo Walk

Date: 12-09-2025

Faculty Coordinator: Dr. N. Prabakaran & Dr. R. Ashok Kumar

Sustainable Development Goals:

- **SDG 6 – Clean Water and Sanitation**
- **SDG 13 – Climate Action**

### **About the Event**

The Photography Club of R.M.D. Engineering College organized a **Photography Contest on "Clean & Green Photo Walk"** on **12 September 2025** to inspire students to observe, appreciate, and capture the beauty of nature through photography. The contest focused on promoting environmental awareness by encouraging participants to document landscapes, water resources, biodiversity, greenery, and eco-friendly practices through creative visual storytelling.

Students enthusiastically participated by submitting original photographs that reflected the importance of environmental conservation and sustainable living. The competition provided an opportunity for participants to demonstrate their creativity, technical photography skills, and ability to communicate meaningful environmental messages through compelling images.

The photographs were evaluated based on originality, relevance to the theme, composition, creativity, technical quality, and visual impact.

### **Objectives**

- To encourage students to explore nature through photography.
- To create awareness about environmental conservation and sustainability.
- To develop creativity and visual storytelling skills.
- To motivate students to appreciate natural resources and biodiversity.
- To promote the Sustainable Development Goals related to environmental protection.

## Judging Criteria

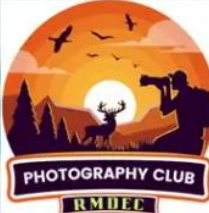

- Relevance to the theme
- Originality and creativity
- Composition and framing
- Technical quality
- Visual storytelling and overall impact

## Prize Winners

🏆 **First Prize:** Priyadharshini R – CSE IV

🏆 **Second Prize:** Pragalya A – CSE III

🏆 **Third Prize:** Femija J – CSBS III

## Outcome

The contest successfully encouraged students to observe their surroundings with a creative perspective while promoting environmental responsibility. The participants demonstrated remarkable photographic skills and presented inspiring visuals that highlighted the significance of protecting nature and maintaining a clean and green environment. The event enhanced students' artistic abilities, environmental consciousness, and appreciation for sustainable living practices.

## Conclusion

The Photography Contest on "Clean & Green Photo Walk" served as an excellent platform for students to combine creativity with environmental awareness. The event motivated participants to capture meaningful moments that reflected the importance of protecting natural resources and inspired them to become responsible citizens committed to environmental sustainability. The Photography Club continues to encourage students to use photography as a powerful medium for education, awareness, and positive social impact.
