PHOTOGRAPHY CLUB

Photography Contest on Life on Land

About Photography Club

The Photography Club provides a platform for students to develop their photographic skills, creativity, and visual storytelling abilities. Through workshops, contests, and thematic photography events, the club encourages students to capture meaningful moments while promoting artistic expression, environmental awareness, and social responsibility.

Event: Photography Contest

Theme: Life on Land

Date: 16-02-2026

Sustainable Development Goal: SDG 15 – Life on Land

Objective

The contest was organized to inspire students to explore terrestrial biodiversity through photography and to create awareness about the importance of protecting ecosystems, wildlife, forests, and natural habitats.

Event Description

The Photography Club organized the "**Life on Land**" **Photography Contest** on **16 February 2026**, encouraging students to capture compelling images that reflect the richness of terrestrial ecosystems. Participants submitted photographs featuring wildlife, trees, landscapes, and the harmonious relationship between humans and nature. The entries demonstrated creativity, technical skill, and thoughtful interpretation of the theme.
