## **A REPORT ON SCIENCE & INNOVATION CLUB ACTIVITIES**

**2021-2022 ODD & EVEN**

### **❖ Objectives of Science & Innovation Club:**

The Science and Innovation Club's mission is to foster curiosity, comprehension, and knowledge of science among college students. It also raises awareness, educates, fosters, and instills an innovative culture in students, empowering them to come up with new ideas and adopt a more inventive perspective. In addition to providing technical support in the form of basic tools, shackles, equipment, raw materials, and projects, the club assists students in developing creative, scientific solutions to everyday practical challenges of learning and life.

- To raise awareness, instruct, foster, and instill in students an innovative culture.
- To give students the chance to participate in creative and technical programs that foster innovation.
- To give educators, students, and other community members a stage on which to demonstrate their abilities via the development of fresh ideas and goods.
