OFFLINE ELECTRONIC DESIGN Competition

23.05.2022

On behalf of TECH CLUB an Electronic Design contest was conducted on 21.05.22 at 12.30.p.m. to enhance the technical skills of the students. The competition was conducted in two rounds. In the first round the students were given simple design circuits. Around 15 batches participated in round 1. 6 batches were shortlisted from the first round. In the second round 3 complex design circuits were given to the eight batches. Three batches were selected based on the successful design results of all three circuits. The contest was based on Industry, Innovation and Infrastructure, Goal.9. Third year students participated in the competition.
