##### **Report**

A short TED style TECH TALK competition on “Your Body Language May Shape Who You Are” was convened by TECH club on December 14, 2024 between 1.30 p.m. and 3.00 p.m. in MB205. 8 students from various departments actively participated in the competition and showcased their talents. The students expressed their viewpoints and outlined their responses both clearly and orderly along with examples and facts. 5 students shared their viewpoints extraordinarily well and the identification of winners was a highly difficult task for the judges. The performance of 3 students was praise worthy and they were selected as winners. Dr. A. Jyothi Bala (Assistant Professor/Mathematics) and Ms. M. G. Meedphin Arasi (Assistant Professor /English) were the judges of the event. The details of winners are furnished below.
