#### **This Poster Making competition focused on:**

Earth Day is celebrated on April 22 every year to raise awareness about pertinent issues, like pollution, deforestation and global warming. The theme for this year's event is 'Invest in Our Planet'.

Investing in our planet means stopping reliance on old out-of-date fossil fuel technologies and redirecting our attention to creating a 21<sup>st</sup> Century economy that repairs our planet, protects the species living on it, and provides opportunities for all.

“Invest in Our Planet,” is focused on changing the business climate, the political climate, and how we take action on climate, to preserve and protect our health, families and livelihood.

Eco club members are actively participating in this competition. The top three scorers are rewarded.
