Eco club play an important role in creating environmental awareness among the future young generation. It is a platform on which the knowledge about our environment. To create clean and green alertness to among students through various innovative methods. We offer programs and activities to encourage others to reduce pollution, plant more trees and also to promote sound environmental behaviour.

#### **Event II: Tree Plantation Contest**

**Title:** Plant a Tree, Capture Photo, Caption it and Win a Prize

**Date:** 15-05-2023

**Time:** 10.00 am to 3.00 pm

**Sustainable Development Goals:** 15. Life on Land and

#### **This Tree Plantation contest focused on:**

The Eco club and Institution Innovation Council (IIC) of RMDEC organized a, Eco contest tree plantation on 15th may 2023. The objective of the eco contest is to know the value of the environment, benefits of trees, beautification in and around the college. Tree plantation is very necessary because trees provide oxygen to the environment and make the air quality better. The purpose of tree plantation is *to save the endangered environment and to beautify our life.*

Eco club members are actively participating in this competition. The top three scorers are rewarded.
