DIGITAL POSTER MAKING CONTEST

About Eco Club:

Eco club play an important role in creating environmental awareness among the future young generation. It is a platform on which the knowledge about our environment. To create clean and green alertness to among students through various innovative methods. We offer programs and activities to encourage others to reduce pollution, plant more trees and also to promote sound environmental behaviour.

Event VI: Digital Poster making Contest

Title : Restore our Earth

Date: 20-04-2025

Time: 10.30 am to 12.00 pm

Sustainable Development Goals: 13. Climate action

This Digital Poster Making contest focused on:

The ECO Club of R.M.D. Engineering College organized a Digital Poster Making Contest on 20th April 2025 to commemorate Earth Day. The event aimed to create awareness among students about the importance of environmental protection, climate action, and sustainable living.

The theme of the contest, “*Restore Our Earth,*” encouraged participants to express their ideas on preserving natural resources, reducing pollution, conserving biodiversity, and promoting eco-friendly practices. Students from various departments actively participated and showcased their creativity through powerful digital art and environmental messages. Each digital poster reflected a strong commitment to sustainability, addressing issues such as deforestation, plastic pollution, renewable energy, and the need for collective responsibility toward the planet.

The Digital Poster Making Contest was a great success, fostering creativity, environmental awareness, and responsibility among the participants. The event concluded with words of encouragement from the ECO Club Coordinator, Dr. S. Ramesh, who emphasized the importance of individual action in protecting our planet for future generations.
