REPORT ON DIGITAL POSTER MAKING CONTEST FOR NATIONAL POLLUTION CONTROL DAY

Event : II

Title : Clean Air, Green Earth: A Step Towards Sustainable Living

Date : 05.12.2024

The ECO Club and Institution Innovation Council (IIC) of RMDEC jointly organized Digital poster making contest on the occasion of National Pollution Control Day 5th December 2024. The event aimed to encourage creativity and awareness among students regarding environmental conservation and pollution control.

The session commenced with a warm welcome address by Dr. K.S.Radha, SAC Coordinator, RMDEC. The IIC Convenor, Dr. Bennila Thangammal, delivered a felicitation speech, emphasizing the objectives and the significance of pollution control in today's world. Following this, ECO Club Coordinator, Dr. S. Ramesh, highlighted the importance of artistic expression in spreading messages about pollution control and sustainability. Students were encouraged to illustrate their ideas on themes such as clean air, water conservation, and waste management through their posters. The contest saw enthusiastic participation, with students showcasing their creativity and understanding of pollution-related issues through visually compelling posters.

The event concluded with a display of the best artworks and an interactive discussion on the themes represented in the posters. Winners were felicitated with certificates of appreciation for their outstanding contributions.
