Swachh Bharat Summer Internship 2018

Awareness Campaigns at School

R.M.D ENGINEERING COLLEGE has conducted the “Swachh Bharat Summer Internship Programme” during May-July 2018 at various villages such as Vanjivakkam, Kodur and Ikkadu. As a total, among 36 students, six individual students and six teams participated in the internship activities. The students completed 100 hours of Swachhata activities, which include,

- Awareness Campaigns.
- Door-to-door meetings (sanitation/ hygiene/toilet usage/ hand wash)
- Conduct of Village and School-level Rallies.
- Organized Gramin movie screenings.
- Waste Collection Drives on households, common and shared spaces.
- Segregation of solid waste into non-biodegradable and biodegradable waste.
- Transportation of Household waste to an appropriate disposal site.
- Street Cleaning, Drain Cleaning, Cleaning of back alleys.
