### Academic Feedback

### 2021-2022(EVEN Semester)

### Corrective and Preventive Action

### DATE:17.06.2022

We fixed our department benchmark for 2021-2022 (EVEN Semester) as 7.5. The following staff member is getting feedback less than 7.5

| S.NO | STAFF NAME | FEEDBACK |
|------|------------|----------|
| 1.   | Mr. K. Mohanasundaram | 6.43 |

HOD/CSE discussed with the faculty member about his feedback given by the students. Though the faculty member did not satisfy target feedback, he has produced good results continuously in the internal assessments, model exam and in the previous university examinations. The department has planned to conduct a specific training programme for the faculty member.

HOD/CSE appreciated the other faculties and motivated them to maintain good academic feedback in upcoming semesters also.
