The Prime Minister's Overarching Scheme for Holistic Nutrition or POSHAN Abhiyaan or National Nutrition Mission, is Government of India's flagship programme to improve nutritional outcomes for children, pregnant women and lactating mothers. Launched by the Prime Minister on the occasion of the International Women's Day on 8 March, 2018 from Jhunjhunu in Rajasthan, the POSHAN (Prime Minister's Overarching Scheme for Holistic Nutrition) Abhiyaan directs the attention of the country towards the problem of malnutrition and address it in a mission-mode. The purpose of celebrating the Poshan month is to take the message of nutrition to every nook and corner of the country and to focus on complimentary food, treatment and prevention from infections in children.
