**REPORT ON INNOVATION AND ENTREPRENEURSHIP OUTREACH PROGRAM IN SCHOOLS**

**Title: Clean Water and Sanitation**  
**Date: 24.02.2023**

The YRC Unit and Institution Innovation Council (IIC) of RMDEC organized a one-day innovation and Entrepreneurship outreach Programme in Government Higher Secondary School, Periyapalam on 24<sup>th</sup> February 2023. The session started with the welcome address by the Head Master of the Government Higher Secondary School, Periyapalam. The IIC Convenor Dr, Bennila Thangammal gave felicitation and highlighted the objective of Outreach programme. It was followed by YRC Programme Officer Dr. P. Kamalarajan who started the session on the significance of Clean Water and Sanitation. During the session, Dr. P. Kamalarajan clearly explained the need to conserve water and significance of water resources in detail. He gave complete insight into how to save water for future generations. He also gave a demonstrative video on different rainwater harvesting techniques to school children. The event highlighted the effect of ‘zero day’ in African countries and its varied consequences in an elaborative manner. Overall, the session was an eye-opening session for the students to learn about the two indispensable things in every individual life viz. clean water and sanitation by inculcating the habit of not wasting even a single drop of water. This sustainable practice may add to the overall development of youth.
